

# Guided Reading and Beyond - Tackling the New Tests

*'Practical ideas to be able to use back in school immediately.'*

*'The abundance of ideas was fabulous - thank you!'*

*'Loads of new ideas that are simple and easy to put into practice in any year group.'*

*'The ideas will help me to actually enjoy teaching Guided Reading'*

**The Innovation Centre - Digital Exchange - Bradford - Friday 2  
December 2016 - 9am - 3.30 pm**

**Course Tutor:** Philip Webb

**Outcomes:** Participants will be introduced to a range of engaging teaching techniques to help them to deliver quality sessions of Guided and Shared Reading and to develop their children's comprehension in a range of contexts.

**Course content:** Teachers will be introduced to a range of practical and easy to implement strategies to develop reading comprehension in all contexts. **There will be an emphasis upon the new style of test questions in Y2 and Y6 and how these can be introduced throughout the whole school.** We will also examine an effective teaching sequence that will enable children to use their reading to inform their writing including the use of effective punctuation and grammar.

**Cost:** £170 Including refreshments and lunch - **free set of Guided Reading Fans for all delegates** - see picture above.
